Media Center info

Students please wait for an email from Mrs. Sinner confirming that your reserved book is ready for pick up. Please allow at least 24 hours after you put a hold on the book to get the email.

Tech support for students

Students who are in school and have an issue with their chromebook may go to the media center with their computer. Mrs. Sinner will submit a helpdesk ticket and give the student a loaner for the day. At the end of the day the loaner must be returned. They can continue to borrow one until their chromebook is fixed and returned to them.

For virtual students - you should continue to contact our tech department directly, 862-286-7069 or email support@pthsd.zendesk.com

Reduce and Reuse

We have water bottle fillers located in the cafeteria and hallways. We encourage students to bring their own bottles to fill.
