Zimny, Katherine	N/A	6-8 Science	Monday - Friday	Daily class Google Meets occur Monday -Thursday. The daily class Google Meet will start promptly at the beginning of the class period. Virtual Fridays may have a class Google Meet depending on the lesson for the day; an announcement will be made on Google Classroom the day prior letting students know if there will be a class Meet. Students who are seeking extra help can set up an appointment by reaching out via email/Google Hangouts. Office hours will vary by week and will be updated on Google Classroom.	There will be a daily post on Google Classroom detailing our morning agenda, as well as the assignments students are expected to complete in the afternoon. Students are encouraged to attend office hours, or send me an email/Google Hangouts message, if they need help with their afternoon assignment. Students should check their emails and Google Hangouts for messages/Google Calendar invitations from me requesting they join me for small group sessions in the afternoons.	In addition to office hours, I am available for small group or one-on-one Google Meets as needed for extra support (set up by appointment) during school hours in the "afternoon" sessions and on virtual days. Last minute requests for meetings will be honored if possible, but cannot be guaranteed as other Meets may have been arranged in advance.
Amina Zohny	7-2	7th grade Science	Monday - Friday	Daily class Google Meets occur Monday -Thursday. The daily class Google Meet will start promptly at the beginning of the class period. Virtual Fridays may have a class Google Meet depending on the lesson for the day; an announcement will be made on Google Classroom the day prior letting students know if there will be a class Meet. Students who are seeking extra help can set up an appointment by reaching out via email.	Daily assignments are posted to Google Classroom at the beginning of each class period. Students access the Meet via the link on the Google Classroom banner. Parents can choose to receive daily or weekly summaries from Google Classroom, with information about "Student Work" and "Class Activities." All parents should be receiving emails from Google Classroom sharing what we have done every day, in addition to assigned (and even missing) student work. Here are FAQs about the GC Summaries: https://support.google.com/edu/classroom/answer/7126518?hl=en&ref_topic=9049978&authuser=0	Afternoon sessions are used to complete the day's assignment begun during the scheduled class time. The electronic textbook can always be used as a resource and can be accessed through the student's Clever account. Students know they're welcome to send messages via email and Google Classroom anytime. Parents are welcome to email anytime with any questions or concerns. If you would like to conduct a Google Meet, email me! I am here for you!
